Subject: SJGS BART Analysis Additional Information Request
Date: Friday, September 21, 2007 3:26:06 PM

Nancy-

Please provide the following additional information to aid in the Bureau's BART review process:

- 1) A schematic of the SCR overview including all major components such as the induced draft fan, SCR, SCR-bypass, forced draft fan, boiler, baghouse, and the locations of where fans are to be located; and
- 2) Per page 2 of your 09/14 response, please confirm that the 6 inches (in. wg) in additional head is required for the Consent Decree.
